

INTO THE GARDEN...

Camps at Meadowlark Botanical Gardens are fun, holistic investigations of the close-to-home natural world. The camp curriculum weaves nature activities and investigations into the beauty of a public garden.

Fun activities include (but are not limited to) gardening, nature journaling, drumming, hikes, yoga, storytelling, habitat restoration projects, music, scavenger hunts, Native American lore, painting, vegetable gardening, and much more.

Camp Grow is not a sports, day care, or play camp. Activities are designed to be engaging, challenging and educational. To assist in fostering a sense of community and belonging, all accepted applicants are required to sign a Behavior Agreement. We highly value and encourage inclusion of all campers in all activities.
